

## Background to Pope Francis, Chrislam and the Vatican trafficking scam

**Chrislam** Whatever the cause now, Pope Francis has embraced '[Chrislam](#)' a heresy made up in the minds of non Christians and has appointed 13 new [Chrislam Cardinals in October 2019](#). It is of course a betrayal of the 1,2 Billion Roman Catholics worldwide, it is heresy and is not a protestant faith or catholic faith of any kind. Chrislam was founded (or adapted) by [Pastor Rick Warren](#) who has made up the hybrid faith [in his own mind](#) many suggest Warren denies he is mixing both faiths, yet even pastors like Joel Osteen (some have suggested) and now the **Pope are calling it a new faith as 'Chrislam'**. This new faith is of course not Islam either or the Koran but it is not the faith of the Bible of Torah in any way. Islam has its own internal dilemma's (see post above dated 9.9.2019 and subheading '**Islam and the curious matter of the Mihrab walls in Mosques (for the Qiblah) all facing the wrong direction for over 1300 years ?**') yet Chrislam is not any way near Islam. Further the origins of Islam itself are not what they appear according to [ex Jesuit Priest Alberto Rivera](#) and a view shared by [Augustin Cardinal Bea](#).

Aside from the theory that the Church (Pope Francis) has been threatened with being blown up continually (Obama / Isis) hence Pope Francis has adopted Chrislam to keep the 'peace', others suggest that the [falling Church numbers in Europe, Britain and the USA](#) are causing a crisis in the Roman Catholic church, which necessitates mass immigration (the UN migration compact and 240 million initially see posts above) into these areas and then merge with Chrislam in order to swell the ranks of the 'Church'.

It is a year since public outcry and Roman Catholic leaders called for the **Popes resignation** (video youtube '[Catholic leaders call on Pope Francis to resign](#)') and in August 2019 [Archbishop Viganò](#) called again for the Pope to step down following his letter [to the Pope in 2018](#). Further in October 2019 the Pope (or others ) has made a formal trial decision to allow '[married men](#)' to become Priests (just like most of the apostles and disciples under Jesus Christ including Peter and Paul who were also married) Of course it is about time.

The outcry against Pope Francis is growing but he is not listening. Wondering if the Pope is a Catholic, John McGuirk pens the [following article of concern](#). It is possible [to depose a Pope](#) and there [are precedents](#) alternatively the Swiss Guard can arrest the Pope and deport him back to Argentina. The **Swiss Guard** who are the [Vatican's secret service](#) and open and obvious police have had security problems [with Pope Francis](#) In 2014, [and also again in September / October 2019](#). **Domenico Giani** the head of Vatican security resigned. " Giani, 57, a former member of **Italy's secret services**, had been part of the Vatican security apparatus for 20 years, serving three popes, and had held the top post since 2006. No previous head of Vatican security has left under a shadow in living memory. His resignation is the latest twist in a saga that has gripped the Vatican for two weeks. It started with an unprecedented and unexplained Oct. 2 raid by Giani's men on two key Vatican offices, the Financial Information Authority (AIF) and the Secretariat of State"

Many suggest that this co-coincides with the appointment of the 13 'Chrislam' cardinals who are in effect infiltrating and opposing the Roman Catholic Christian Church. Others suggest it is the unholy lifestyle which Pope Francis has [turned a blind eye](#) too (so **writes Frederic Martel in 'Sex Parties, Drugs and Gay Escorts at the Pope's Residence: Undercover in the Vatican'**) yet in other areas (such as rewriting Roman Catholic orthodoxy) and which in early 2019, two Cardinals asked Pope Francis to end the [homosexual activity](#) in

The sexual abuse cover up by Pope Francis especially from the [Archbishop Nuncio in Washington](#) against **Archbishop Theodore McCarrick** (who was finally deposed this year ) but which had been exposed for a long time before this, yet **Pope Benedict** had already removed him from 2013, but he was restored under Pope Francis ? (video '[Catholic leaders call on Pope Francis to resign](#)') **Archbishop Carlo Maria Viganò's** attempts at reforming the scandals have been in effect reversed by Pope Francis as the '[vatileaks](#)' controversy letters reveal. A new lawsuit against the Vatican emerged in May 2019 when an insider threatened to release the names of 3000 Priests who are awaiting 'decisions' "The lawsuit, to be filed Tuesday, asks that the Vatican release the names of more than 3,000 priests who have sexually abused children, as well as evidence and documentation." writes Jon Hopfensberger. Many institutions and organisations [including pagan](#) and the [protestant church](#) are also facing the same Justice, although Pope Francis has called child sex abuse akin to human sacrifice addressing the [paedophilia summit](#) within the Roman Catholic Church in February 2019, but it did not [appease many victims](#). Ministers in any church were never ministers to begin with when they infiltrated [the Church](#) who whilst dressing in robes which [are unconnected](#) to the early church and are not necessary, have instead clothed themselves like Wolves in

sheep's clothing (note many churches have a lot of ritual and ceremony but only preach a pre – set fragment of the actual Bible each week ?)

These infiltrations occur in every country and in every institution and faith, they are not Christians.

Some of the more disturbing background concerns Archbishop Robert Carlson in [the USA who was not sure child molestation](#) was a crime. Whilst [Father John Calnan sexually abused](#) a girl as she was giving confessions, yet when the **Vatican is changing the faith to 'Chrislam'** and engaging with [sex parties, drugs and gay escorts](#) at the Popes residence, then this facade of 'the church' has to end and sweeping changes are needed including a new Christian Pope and the arrest of the 13 new cardinals and all those who are guilty of sexually abusing children. They should repent quickly and hand themselves into the police or law services even at the top levels of the Vatican. They have assisted in the mass immigration of the EU and sex trafficking across the West.

In the EU the case (to repeat from above) of ["ES" who claimed Mohammed was a paedophile](#), [Roman Catholics](#) and Anglicans want a leader who is a Christian not a political theorist, and Francis of Assisi would not recognise the see of Rome today. Pope Francis embraced [Grand Imam Al-Tayeb](#). "Hours before Pope Francis called for the abolition of capital punishment on Friday, he warmly embraced **Grand Imam Al-Tayeb**, who has expressed his desire that Muslims who convert to Christianity should be executed" Remember however that many of these abuses have been Roman Catholic or Anglican or Presbyterian whistleblowers on the inside of the church. The Holy See is broken and no longer exists; it is no longer the 'see of St Peter' from which it claims its traditions. **The Bishop of Rome cannot now claim heritage from Simon Peter** whose words are preserved in the following New Testament book '[2 Peter 2 verses 1 – 22](#)' which points to Gds wrath but which is omitted by the Church. The working and middle class have the right to full religion teaching instead of being lied too.

Currently in Italy there are two Popes **1 . 'Pope Francis'** or Jorge Mario Bergoglio since February 2013 **2. Pope Benedict XVI** or Joseph Aloisius Ratzinger.

Pope Francis oversees the Vatican which was established formally in 1929 in the Lateran pacts although Popes lived within from the 14th century.

Pope Benedict (who lives nearby still) still looks [after the 'Holy See'](#) separate from the [Vatican City](#) ([video from 2015 after he 'stepped down'](#) ) both are still operating in two different spheres. There are [requests for Pope Francis](#) to resign (and see last post above dated 30.11.2019) , especially since [the wikileaks revelations](#) and its power struggles with the [Knights of Malta](#) Wikileaks had already released the laundering scandals of [2009 and before](#). Back [to 1982](#) and forward [into 2015](#) (and which also connects to trafficking in Washington focusing on the United Arab Emirates [ambassador to Washington Yousef al Otiba's](#) ) The Vatican has received accusations of trying to take over all other orders for profit only.

**The Vatican is a Corporation** which has its own bank and for instance owns American express. **It also owns the Pentagon via Opus Dei** Since 2019 it has formally left Catholicism and Pope Francis has now appointed [13 new 'Chrislam' cardinals](#) Merging Islam with ? something which is not any of those faiths but labelling it Christianity which it is not it is certainly not Catholicism. In Italy a new (who support not voting ? ) group the **'sardines' or 'movimento delle sardine'** began as a flash mob in November 2019 opposing the election success of **Matteo Salvini** . It is in reality a ceration of Guiseppe Conte who opposed Salvini although he did serve as Prime minster with both Left wing five star and Right wing the Leauge and Matteo Salvini. Matteo Salvini has recived the most votes of any Italian politician throughout Italy.

Currently a larger question is what si the meaning of Pope Francis Vatican law **'Motu Proprio' againt Corporations** which is also at the Centre of the controverises globally.

The Pope is **'re-aligning' the Curia** (the Vatican's government) and restructuring the Vatican bureaucracy, of necessity a long drawn-out battle, but for what ? As we have seen above [13 new Chrislam cardinals](#) have been appointed. (13 new [Chrislam Cardinals in October 2019](#). & Pope Francis has [turned a blind eye](#) too so writes Frederic Martel in 'Sex Parties, Drugs and Gay Escorts at the Pope's Residence: Undercover in the Vatican') Many onlookers believe that the Church is something to do with Jesus or Gd, but this is lost in the swirling power structure of the Vatican Church. During the Russia investigation hoax ([which does not look good for Obama](#)) Robert Mueller a Knight of Malta (but a real straight arrow [as Trey Gowdy describes](#)) and/or Vatican officials must be looking at Chrislam and wondering what the hell is that. [Recently the Pope](#) ( Jorge Mario Bergoglio) has passed a law (recently in cannon Vatican law terms or "Motu Proprio" of the Jesuits) but also stemming the [nature of corporations](#). Creating a world trust on the back of birth

certificates. Whether the world regards this as the [worlds highest form of law](#) or not, the law is cited. It is ascribed to the "Golden Rule" as mentioned in Leviticus 19,18 and 19, 34 and Mathew 7,12 & Luke 6,31. However there may be also ideological concerns and motivations regarding the theories of collectivization and transparency of corporations. One area (as mentioned) is Education which is a Childs right and should be protected by parents. Concerns that billions are paid to communist corporate fronts to fund education projects on the "never never" (eternal debt) are and have been examined and questioned and the end of its money train cannot be accounted for in origin or purpose. The Popes desire to end Corporations some feel is only for the 'West' and is communism veiled?

However since the Popes overtures to [President XI of China](#), (2016) if corporations collapsed or business collapsed and instead we are left with a state corporation monopoly on the model of [communist totalitarian China](#) what will his ([and Chinas according to President XI](#) / Mao with [OBOR one belt one road](#) and the new SDR / XR global currency, see all above chapter 3 and 3a) [new world order look like](#) ? (read an outline of the [decree here](#)) considering the [Christian genocide](#) (see last post above dated 30.11.2019) and also China's past The US [has provided support](#) to Hong Kong [via its two new bills](#). "The House [voted 417-1](#) to pass the [Hong Kong Human Rights and Democracy Act](#) on Nov. 21, which had [unanimously passed through the Senate](#) the day prior" China whilst on the one hand is commanding Kim Jong Un and North Korea to increase and keep its Nuclear weapons, is suggesting that Taiwan (or even Hong Kong) should not have any ? . [Speaking here on BBC News hardtalk 27.11.2019](#). see also ( "[Mao's Great Famine HDTV](#) " or [MP4 Video file version here](#) & a CIA documentary "[China's Great Leap Forward | 1958 | History of China Under Mao Zedong | CIA Documentary Fi](#) " as its full name in you tube )

And also '[Motu Proprio on abuses: There is no longer immunity, no one is above the law](#)'

**The end of Corporations ? or just commerce in general ?** Which [corporations and corrupt Governments](#) and trusts of which [the Vatican bank administers](#) does the 2nd Pope in Rome [Pope Francis want to eliminate](#) ? is it legal ? or is the bible for instance actually the correct legal [text not the pontifical secret](#) in the sexual abuse matters, which can be acted upon without Papal authority in any case (see Mathew 18,6 & Luke 17,2 & Mark 9,42 in the trafficking, lucrative open border scandals) As a Corporation ( i.e. 'China incorporated' into the mobile pay RDIF chip social credit dystopia) [China must be](#) on his list ? or is it already conquered and subjugated. Is there authority to cancel corporations and multi-nationals and who is involved to do so ? Does it also apply to the EU's legal structure and the Vatican / Chrislam Corporation? (see all the last post above dated 30.11.2019)

The Pope says [we must obey the UN](#) it ! is our duty he says. Yet the UN is seeking new draconian Universal abortion rights. (See the post above dated 09.09.2019 and the Belfast anti abortion meetings) The United Nations has also called for [Universal Human Rights for abortion](#), and for redefining [rights for the unborn](#) or even what it means to be human in May 2018 "[In blatant violation of international law, the United Nations Office of the High Commissioner for Human Rights has unveiled a startling new campaign that claims "you have human rights since birth."](#) The unsettling image, which depicts a baby's arm with the statement written on a hospital bracelet, makes clear the position of this U.N. body—human rights should not be afforded to human beings until after they are born" This ethical idea which has not no ethical right and makes no sense is shovelled out onto children and teenagers as fact. Therefore the same UN (United Nations) which is promoting 'climate change' is also promoting massive global abortions, euthanasia, breakdown of the family and vaccines from China which are diseased, and also 'redefining humanity', and which has also involved ([also the IPCC](#) or the Intergovernmental panel on climate change) in the climate [carbon tax](#) frauds and scandals.

However the Pope (Pope 2 of 3 Benedict) also says abortion and [euthanasia](#) is wrong ? contradicting the UN ? ([Joe Biden in 2015](#) states abortion is wrong but [has changed since](#) then) whilst Pope Francis (1 of 3 Popes) has recently [said abortion](#) is wrong, but now a Priest can [forgive an abortion](#), (will forgiveness for euthanasia be next and where will it end ?) and now abortion issues are [just as sacred as migrants](#) ? In reality abortion kills a baby and all the future generations which would have been born in the future, and this depopulates and enslaves the future generations of a nation helping to wipe them out and replace them which is / was the purpose of the Irish abortion referendum in 2018 i.e. to remove your rights and future generation rights and begin to wipe you out.

The Jesuit practice of absolving each other of sins is now extended to all Priests, but it is of course not from Gd it is a canon law made up in his own mind.(Pope Francis) It does however fit perfectly with the depopulation [agenda of the UN](#), of say 5 billion people or more [in the 'emergency'](#) The World is actually (see Metrocosm & 'Half the World's Population Lives in Just 1% of the Land [Map]' [under-populated](#) so breed away. Ignore [the UNDESA](#) claims) which clashes with the Vatican City agenda of making money from migrants.

For further information on this see the following 3 videos. Video 1. ['The Vortex — Vatican Stealing Millions'](#)

## 2. 'The Vortex — Now, It's HUNDREDS of Millions!'

European migration is big business and is of course linked to trafficking and drug smuggling via the Vatican bank amidst the recent shocking case of Jesuit priest Robert J. Goldberg who sexually abused a boy 1000 times globally. (see also the last 3 posts above dated 30.11.2019, 17.12.2019 & 23.12.2019 on the shocking global sexual abuse's globally )

## 3. An MP4 file from an Ex Green beret, NSA and ex- Jesuit "Refugee Program Exposed Vatican" (Truly Shocking and the vast trafficking sex slave / charity refugee scam and the billions made from them)

As Obama bombed over 7 countries with over 20,000 bombs creating refugees the Vatican (which is bankrupt) took \$60,000 to \$80,000 or more for each refugee, and in Syria when Assad bombed his own people the arrangement continued there also directly via Pope Francis and the Vatican arranged privately with Syria. This became the UN migration compact (240 MILLION to begin with) in part. Timed to suit 'Optimal Currency Theory', the need for low wages pouring into the West and the invented 'Chrislam' heresy by appointing 13 new Chrislam cardinals. With a church with falling attendance Globally. Either the Vatican removes the Pope or Roman Catholics will leave the Bishop of Rome, many feel betrayed by Chrislam. Ireland is the new test area with its Ireland 20/40 scam. See the terrible truth about Ireland by Stefan Molyneux. (communities not informed of migration around Ireland in numerous locations in ever growing numbers amidst homelessness and unemployment. Much of the countryside rural areas have not improved since 2010 and the aftermath of the 2008 financial collapse)

The same occurs with carbon credits, those conned profits after the national governments are nationally taxed, they are divided up proportional for the public to pay without a vote or referendum on the national tax the government had to meet. It is theft and for a cause which has no proof as there is no man made global warming. The Pope as initially against carbon credits as the poor cannot afford them, but not now ? Carbon trading is wrong he said in 2015 (see the adjacent website and the end of chapter 3 for the corruption and fraud court cases which really took off in 2007) Some of these huge ill gotten gains were then siphoned off to China, and after 15 years there was more carbon in the atmosphere than ever. Some companies want 'tech help' these days to increase their carbon footprint to save their state or community. Enjoying a barbeque with a carbon encrusted steak, with vegetables all organically grown locally.

This is the Marxist liberation 'theology' ethos driving this sham and which has failed and has also left 100 million dead (1997 figures) since the 1900's see within the 'Little black book Communism' (which also tries to emulate spirituality but fails) Pope Francis who sees the poor as connected to St Francis (in error) "because Francis was a "poor man, a simple man, as we would like a poor church, for the poor" says Pope Francis. It also has the dichotomy of stating Gd is dead (Marxism) whilst professing to believe in Gd. But what this means in reality is meeting with Fidel Castro who disarmed the peasants but kept the guns himself and who died a Billionaire, and there are many more examples, whilst the poor are bought for slavery and shipped off to cities which become run down deliberately, but provide a perpetual voting pool of the poor for Democrat districts in the USA for example. Bernie Sanders the millionaire owns 3 mansions in the USA (from 'booksales') They all propose open borders and mass migration because they love the poor. Having a ready supply of the poor the Democrats lord it above them.

This is just a few cities and it is designed by the left (and controlled by the democrats for decades and today) and neo liberals and progressives deliberately.

1. Los Angeles is a Sh\*thole Typhus and Bubonic plague is present in Los Angeles !
2. Paris is a Sh\*thole
3. London is a Sh\*thole Overcrowded but more illegal immigrants are trafficked into Britain. The violence and Knife crimes are at 5 minutes and 30 seconds. Sadiq Khan the London Mayor is deliberately fuelling the problem at 6 minutes 30 seconds to the end (as he did with the Rotherham labour councils trafficking gangs and the ten other cities under the trafficking gangs control) He should resign or be removed.

This is the real planning (with awful postmodernist architecture thrown in) . 70% of the worlds population will live in cities by 2050 say the United Nations whether they want to or not.

The End of which CORPORATIONS? This is why there are mass world protests (including in Iran and Lebanon and France) and why the Pope should resign. The Pope says he wants to stop trafficking because it is a crime against Humanity (he says) or it is a scourge to be denounced, then he could arrest George Soros which is a shared view with Boris

[Johnson](#) and [Attorney general Bill Barr](#) and end the corporation called the Open foundation. But the question remains ? which Corporations is Pope Francis planning to cancel ? or is it all of them toward depopulation advances, or does he have the authority. (see last posts above) or here to repeat **The end of Corporations ? or just commerce in general** ? Which [corporations and corrupt Governments](#) and trusts of which **the Vatican bank administers** does the 2nd Pope in Rome [Pope Francis want to eliminate](#) ? is it legal ? or is the bible for instance actually the correct legal [text not the pontifical secret](#) in the sexual abuse matters, which can be acted upon without Papal authority in any case (see Mathew 18,6 & Luke 17,2 & Mark 9,42 in the trafficking, lucrative open border scandals) As a Corporation ( i.e. 'China incorporated' into the mobile pay RDIF chip social credit dystopia) [China must be](#) on his list ? or is it already conquered and subjugated. Is there authority to cancel corporations and multi-nationals and who is involved to do so ? Does it also apply to the EU's legal structure and the Vatican / Chrislam Corporation? (see all the last post above dated 30.11.2019)

**Turkey has made an international claim against Israel**, sending [its Ottoman archives to Gaza](#) to help make its claim for returned lands against Israel. Yet the Ottoman Empire (1500 ad) is nowhere near as old as Israel (2000). But by the same logic Greece owns Turkey. The area in 'Asia minor' called Galatia and the subject of Pauls letter to the Galatians in the New Testament (the 'Brit Chadash') was once Greek and Scythian owned (also Anatolia). One town in it [Miletus](#) was established by the [sons of Mil](#) from where we get the [name Milesians](#), and Scots from Scythians who were the Gael or Celts who settled in Gaul and Saxons and where the same tribes with the same trade routes which accelerated the Christian gospel into Britain and Ireland by 70 to 90 ad (see [Chapter 1 and 2 above for the Scythians and Saxons and Milesians as the Sons of Mil](#)) Also by Turkey's logic and by the same logic, India owns the Kashmir and much of Pakistan. Turkey wants to establish [the Ottoman empire again](#). ([Ottoman empire](#)) but which collapsed circa 1910 – 1917. Rome now oversees Jerusalem and if the UN moves out of the USA will it move to a new city already prepared or will he try to move to Jerusalem.(Israel has abandoned [UNESCO and in effect the UN](#))

However since the Popes overtures to [President Xi of China](#), (2016) if corporations collapsed or business collapsed and instead we are left with a state corporation monopoly on the model of [communist totalitarian China](#), with built in social credit 5G/6G totalitarian slavery to the Gd of Chrislam with a hint of 'climate change', communism and gay marriage, then what has that got to do with Jesus ? Should the Pope also resign ? The overtures to [President Xi](#) with new Bishops in 2016 has produced now the worst crackdown on Christianity in China since Mao and the worst crackdown on humanity in world history. Stalin asked how many legions does the Pope have, yet if the Pope is for Stalin or Mao then it does not matter. Liberalism and Chrislam working together.

## Christian Genocide background.

On the 11.12.2018, President Trump and Mike Pence signed the [anti genocide act](#) known as the '**H.R. 390, the Iraq and Syria Genocide Relief and Accountability Act of 2018**' over the past few years many institutions and organisations have called for an end to the slaughter in the middle east. What is emerging since the ongoing Christian genocide is, it is aimed at 'Christians' whether they are practising Christians or simply people who are nominal Christians with the designation placed on their birth certificates at birth. (and even outside of the Middle East which was the beginning) This expanding issue is directly related to the British general election in December as will be revealed.

[The act states](#) "This bill authorizes U.S. government agencies to provide humanitarian, stabilization, and recovery assistance for nationals and residents of Iraq and Syria, in particular ethnic and minority individuals at risk of persecution or war crimes. It also authorizes the agencies to assist in prosecuting those suspected of such crimes."

The long-running Arab Spring uprisings (and today Syria withdrawals have only moved into Iraq) which began in 2011, and which increased in intensity into 2014 and 2015 and still continuing today, are recognised by the current US administration as an urgent problem and [Genocide](#) against Christians of all denominations in December 2018.

This is not the first attempt by the West to resolve the terror in the Middle East. The recent history is outlined below.

**Pope Francis named the [Christian Genocide](#) in 2015.** The UK parliament on the 21.04.2016, [voted unanimously](#) to declare the Christian Genocide as Genocide in the Middle East. This followed on from John Kerry's pronouncement of the [Genocide on 17/03/2016](#) and also the [US House of Representative's](#) pronouncement on the 15/03/2016, followed by the [European Parliament's](#) announcement of the Genocide on the 04 & 05 / 02 / 2016.

Following the UK parliament vote, the government did not then fully name it as 'genocide' and has not officially recognised the designation. Although the vote does make that statement, it was still not far enough for [MP's who have fought](#) for the vote. President Obama on his trip to the UK and France in 2016 reluctantly named the **Armenian Genocide** of 1.5 Million Christians by Turkey (1915 – 1925) a "mass atrocity" following the protest and demonstrations of 60,000 people, who marched in remembrance of it, and who protested outside the Turkish embassy in Wilshire boulevard in [Los Angeles](#) at that time. 40 US states out of 50 declared the Armenian genocide, a genocide as calls for action were made in the spring of 2016 by the [Archbishop of Washington, Cardinal Donald Wuerl and the then Secretary of State John Kerry](#).

The Sacramento Bee concludes [Obama's legacy](#) is Genocide, in reference to the Christian genocide in the Middle East, and today areas like Nigeria, Egypt and the lesser reported areas [of the Levant](#) are still living through the [tribulation](#)

Christians are facing [extinction](#) in the Middle East pleads the Archbishop of Canterbury in 2017. **The Archbishop of Canterbury, Justin Welby, and the Archbishop of Westminster, Cardinal Vincent Nichols** made the following joint statement [on the 17.04.2019](#) The [Knights of Columbus](#), and a broad array of faith-based organisations supported President Trump's bill entitled 'H.R. 390, the Iraq and Syria Genocide Relief and Accountability Act of 2018'.

It is a start (referring to the declarations and new genocide act ) writes **the Baptist Union**, which is [reporting](#) on ongoing connected persecutions and terror, as hopes continue that [President Erdogan](#) of Turkey (as he has promised) will press on with the safe zone plan for the Middle East for the Kurd's and Christian and wider. [Prince Charles has also condemned](#) the Christian genocide.

**Michelle and Barack Obama guilty of genocide.** Obama has still not recognised the Genocide (he was silent [upon it in 2015](#) as of course he was directing it from the Whitehouse in Washington) **Reverend Franklin Graham** pleaded with Obama to recognise [what was occurring](#) The US state department (via Obama and Clinton) issued a statement on November 2015 that ISIS [did not kill Christians](#) Whilst later John Kerry (Secretary of state) did declare it as [genocide in March 2016](#), the Obama Whitehouse itself would not call it a [Genocide in March 2016](#) This makes 'Michelle Obama' (Michael, aka Mick partner of Barry Soetoro) also [equally responsible](#) for the genocide under the 'H.R. 390, the Iraq and Syria Genocide Relief and Accountability Act of 2018'

**Hillary Clinton** on New Year's Eve in 2015 (29.12.2015) [broke with the Obama administration](#) and declared the Christian genocide as genocide, although she was 4 years too late. She claimed she changed her mind as there was now enough evidence, yet the Pope had declared the genocide as [genocide in August 2015](#) five months previous. Many suspect that as the 'evidence' of the genocide accumulated (at least in the minds of the US state dept) Hillary Clinton suddenly found it politically expedient to declare the genocide as genocide in December 2015 as she had declared her run for President in April 12th 2015. She waited 8 months to declare the genocide despite the fact it had been analysed since 2011. Clinton was U.S. secretary of state in the Obama Administration from 2009 to 2013, during her tenure, Clinton responded to the Arab Spring by advocating military intervention in Libya. The Arab spring was directly instrumental in the Christian genocide.

**Obama, Michelle Obama and Clinton watched** as Christians were beheaded, raped and murdered, including children and child sacrifices.

The [Knights of Columbus](#) had been involved in the writing of a report supporting measures to counteract the genocide. Today and since Easter 2019 (to repeat from above) In the USA the media were unable to call the **Sri Lanka victims** Christians (video ['Tucker: Left struggles to say the word 'Christians'](#) [or here](#) )

The report, In which it is estimated (as body parts were hard to identify and many bodies were totally blown away ) [253 people were killed and 800 were injured](#) and victims were from up to [12 countries globally](#) The EU attacks in France and Belgium in 2014 – 2015 were carried out in a similar manner. A video of one of the suicide bombers is shown [entering a church in St Sebastian](#) (or [here](#)) One of the victims ['Sneha Savindi, 12, was among them](#). Her uncle, Duminda, said her body had been so badly destroyed by shrapnel that the family was only able to identify her by a birthmark on her foot' Other victims body parts were blown and strewn inside and outside the church. [The list above \(or here again\)](#) are attacks on Christians Catholic and Protestant as they attending within their Churches. Yesterday on the 12.05.2019 (and two weeks previous on the 28.04.2019 in Bukino faso but at [Silgadji when 6 were also killed in a church](#) including the pastor and his sons for refusing to convert to Islam )

in Bukino faso at Dablo 6 church goers were killed including a Priest in a Catholic Mass when gunmen arriving on motorbikes [opened fire slaughtering the congregation.](#) On 13.11.2019 [85 people were killed in HYPERLINK](#) including the pastor and his wife. The following day [hundreds were killed I Nigeria at the Kaduna province](#) by machete and shootings. People in [the srilanka bombings were unrecognisable](#) Brutality even in Saudi Arabia is unlimited as [a 6 year old boy is beheaded with glass](#) in public in February of this year which is still [continuing in Iraq and Syria](#) although Isis are almost extinguished. The US has moved to make the [Muslim Brotherhood a Terrorist organisation](#) and from 2008 – 2016 [Obama's legacy of genocide](#) is certainly at least that. The Christian genocide involved millions of people killed and displaced and targeted) against millions of Christians in the Middle east and the USA, which was also overseen by [James Clapper, John Brennan, Clinton, Joe Biden and Loretta Lynch and Huma Abeddin et al.](#)

This destruction of churches or the western way of life Churches in the EU (as the Pope stands by and watches) and it is estimated up to 1600 have been attacked and destroyed especially by fire. Both Catholic and [Protestant churches](#) (2016) have been hit and in [France it is particularly strong](#). A 2018 report and by Ellen Fantini, executive director of [Observatory of Intolerance and Discrimination Against Christians in Europe](#) shows that it has steadily increased over the past five years particularly.
